

NEW TO THE HOUSING HUB?

Learn your market. Share your expertise.

Real-time Indiana housing data — free with your IAR membership. Here's everything you'll use every week.

THE BASICS

Three things you'll use every week

Your Market Dashboard

Pick any county, ZIP, or metro and get the latest stats, trends, and plain-English insights in one place.

Reports

Build a report for your market, export charts, or subscribe to get it by email every time it updates.

Spark

Your AI data assistant. Ask about any Indiana market and get an answer with the chart to prove it.
